Welcome to our 45th year of the Snowflake Boutique. The purpose of the Snowflake Boutique is to provide a superior quality craft boutique that benefits our consigners, members and our local charities.

All items sold at the Snowflake Boutique are juried and must be at least 75% handcrafted by the consigner. Records and pictures are maintained of returning consigners to prevent duplication with new consigners. Special guidelines for food items are listed below.

2020 Jury Dates

All juries to be held at Highland Baptist Church
3100 SW Highland Ave, Redmond

June 6th, Aug 15th, Sept 12th, Oct 10th

These are all Saturdays, 9:30am to 11:30 am

Monday Oct 19th. Drop off at 6:00pm, pick up at 6:00pm to 7:30pm

Please bring two copies of your jury evaluation form filled out with items' description. If you need to make additional arrangements for jury, please contact Jan Wink or Tina Littlefield.

The Snowflake Boutique and Highland Baptist Church are not responsible for items left at the jury or any damage that might be incurred.

The Snowflake Boutique juries all prospective items for sale to assure a high-quality show and maintain a good reputation with the public. This process also assures non duplication. All items must be at least 75% handcrafted or 75% improvement of an item by the consigner. For food items please see the special guidelines.

The Snowflake Boutique members set up the show, work the show and take it down. All items are displayed to show off all items in the best possible way. If you are interested in becoming a member please contact us.

You will be notified at the jury time if your items are accepted and a **\$65.00** registration fee is due at that time. A 20% commission fee is taken on all show sales. Please only bring the exact item that was juried to the show. See the **Check-In** and **Check-Out** procedures for dropping off and picking up your items. Other important information to be aware of is the **Inventory Sheet** and **Tagging** of items, see both of those sections. Instructions for both of these will also be given to you at the time of jury.

If your items are not accepted you will be notified on your jury date. Your jury evaluation sheet will be returned with comments and/or suggestions on the items that were not accepted. You may use this jury sheet to make corrections or alterations to your items and items may be resubmitted at a later jury date.

If you have display racks, props etc, they are appreciated, please let us know at the jury time so we may plan our space accordingly. If you don't know at time of jury then any time **prior** to the show set up is acceptable.

Payment for your sales, less the 20% commission, will be mailed no later than two (2) weeks after the show. Snowflake Boutique must be contacted by December 15, 2020 regarding any discrepancies. We take every precaution to provide a quality show, however we do not pay for any lost, stolen, broken, or missing items.

Returning Consignees

The registration fee of \$55.00 is due from all returning consigners by **May 31st**. If consignment fee is not paid or other arrangements have not been made by **May 31st** we will assume you are not participating in this year's show and your items and patterns will be open for other consignees.

If after May 31st you decide to participate in the show please contact Tina Littlefield, Rachel Carver or Robyn Baker. When it is determined your items are not being duplicated and are accepted; the consignment fee will be **\$65.00** and is due at time of acceptance. A 20% commission fee is taken on all show sales.

Product Price Tag Instructions

1. Number each individual item you have for sale with its own individual number. If you have items that are exactly the same and exactly the same price they may have the same number and be grouped on your inventory sheet. You will be assigned initials during jury; place these on both the front and on the lower portion of the back of the tag.
2. Fill out a price tag for each item as shown below. Please do not use any felt tip pen that smears when wet. Black ink is preferred. The whole tag will be removed when items sells. Instructions or information about yourself needs to be on a separate tag if you want it to remain with the item after it is sold.
3. Attach the price tag **securely** by the string to your item. Shorten all tag strings when possible. If it is not at all possible to attach by the string then it may be taped **only** across the top edge of the tag. If we are unable to **easily** remove the tag then you may not be properly credited for your sale. No glue dots or double sided tape please.
4. **Prices must be in increments of 25 cents.** If price is not in 25 cent increments we will round down to the nearest 25 cents at the time of the sale.
5. On the back of the tag on the lower portion; we ask you use a stamp such as a symbol, animal etc; this saves time when the tags are sorted for the count of all participants' sales.
6. Tags are available from the Snowflake Boutique and come in lots of 100. The current price is \$1.00 per hundred but may be more if prices continue to increase. They may be purchased at any jury date or please contact Jan Wink or Tina Littlefield. If tags are mailed postage will be added to the total due for the tags.
7. If your item could be mistaken as a child's toy please print "This is not a Childs Toy" tag from www.snowflakeboutique.org; these are made to fit on the back of the tags.

Sample tag back with complete information. This example shows ABC as your assigned initials and the star stamp as your unique stamp matched with your initials. The stamp is not required but very helpful for the after sales inventory.

Sample tag front with filled in information. Begin tags with No. 1 and your assigned initials, continue in numerical order. Sample is 33rd item on inventory sheet. Description: Be brief but precise so your item can be matched with its tag.
